DISPLAY. SECURE. ENGAGE.

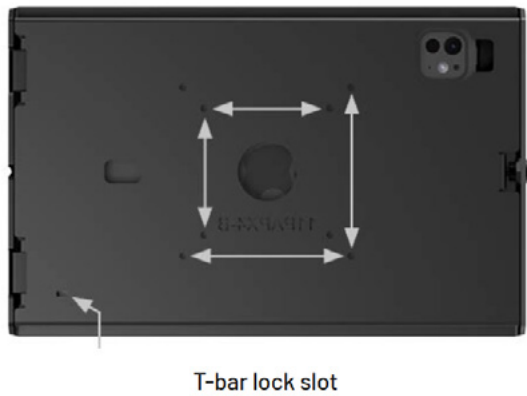

APEX ENCLOSURE

Our flagship, premium enclosure for business use

The Apex Enclosure combines a sleek metal frame with secure, business-ready features for wall, counter, or floor mounting. Secured by a quick-release keyed lock and a dual-lock security for larger tablets, it supports both 100x100mm and 75x75mm VESA patterns. It also includes a T-bar lock slot. With exposed cameras and sensors, along with integrated cable management for continuous charging, the Apex delivers durability, versatility, and a modern aesthetic. The Apex enclosure is compatible with various iPad, Galaxy Tab, and Surface models.

INSTRUCTION SHEET >>

The enclosure is made from 98% recyclable aluminum.
Within this composition is 30% recycled aluminum
